FEDGRANTHUB

REFERRAL PARTNER PROGRAM

Turn trusted relationships into recurring revenue.

You are responsible for securing the subscription. FedGrantHub provides the product and sales support you need, then handles onboarding, billing, and ongoing customer support.

50%
of collected subscription revenue during each customer's first 12 paid months

20%
on every renewal while the customer remains continuously subscribed

90 DAYS
of protection after an opportunity registration is approved

BUILT FOR TRUSTED NETWORKS

A credible program for people whose introductions carry weight.

Government affairs, economic development, grants, association, and public-sector professionals can extend the value they already bring to local-government relationships.

- **Register first.** We check fit and conflicts before the formal introduction.
- **Secure the subscription.** You own the relationship and are responsible for converting the introduction into a paid subscription.

FROM INTRODUCTION TO REVENUE

1. **Register the opportunity**
   Submit the agency and key contact in the partner portal.
2. **Receive approval**
   Approved opportunities receive 90 days of protection.
3. **Secure the subscription**
   You own the close; FedGrantHub provides the product and sales support you need.
